BRECON BAROQUE FESTIVAL

24 – 27 OCTOBER 2014

THE CIRCLE OF BACH

The ninth annual festival celebrated the 300th anniversary of the birth of Carl Philipp Emmanuel Bach, arguably the musically ablest of Johann Sebastian's sons. Guest artists included Bojan Cicic, Mahan Esfahani and Trinity Baroque directed by Julian Podger.

In addition to the four concerts and two dance sessions, there were three free events for festival visitors: a walk around Brecon on the Saturday morning, a guided tour of Christ College on the Sunday evening and a pre-concert event with actor Ian Milton as Johann Sebastian Bach.
