WALK WITH BACH – THE EARLY YEARS

Autumn 2021 saw the launch of Brecon Baroque Festival's 'Walk with Bach', a three-year programme exploring the life and music of JS Bach from his early days in Arnstadt and Lübeck to his most prolific years in Weimar and Cothen and finally to the end of his life in Leipzig.

Artistic Director Rachel Podger led her own ensemble, Brecon Baroque, and a line-up of guest artists including Trinity Baroque directed by Julian Podger, Fretwork, The Society of Strange and Ancient Instruments led by Clare Salaman and classical music producer, Lindsay Kemp, for a long weekend exploring the music of Bach's early years.
